BlockBuddies Mystery Quilt

Welcome to my first Mystery Quilt, "Cheap Change!" This mystery quilt was first introduced at BlockBuddySwaps Yahoo group. Installments are being added weekly during August.

Would strongly recommend either putting the cut pieces in a baggie marked with the size or using sticky notes on your stacks so each size is clear when it comes time to sew. Please note some pieces require additional cutting and some additional marking. (Notice the small cutting icon or red asterisk to indicate which action is necessary.) Enjoy yourself and ask any questions you have
